

2008 SUMMER SNACK SHACK GUIDELINES

In order for this operation to run smoothly, please adhere to the following:

1. Remember that you represent NPHS Boys' Varsity Basketball, the entire program, and the school! Set a good example.
2. This is a team fundraising effort. All proceeds will directly benefit your team. Please do not give away any items for free except to our coaches and referees. You will be held financially responsible for any missing items.
3. Please be on time for your shift. Treat this just like any other job. Be sure to sign in/out.
4. There should always be someone monitoring the Snack Shack at all times. You are not to leave the gym without permission.
6. You must arrange for your own replacement if you cannot make your scheduled shift. Use the phone list on the roster. Do not contact Coach.
7. You may only sell what is provided.
8. Please keep your work area neat & clean at all times.
9. No visitors will be allowed in the Snack Shack at any time.
10. Bring something to eat or make arrangements for your meals ahead of time. There is a microwave and refrigerator available.
